

RIVERSIDE PUBLIC UTILITIES IS NOW HIRING

UTILITIES POWERLINE TECHNICIAN (LINEMAN)

Offering You the Power of Opportunity

The Position

This position requires skilled journey level work in the construction, maintenance and repair of overhead and underground electrical transmission and distribution systems and substations. Work involves performance of skilled tasks in accordance with standard trade practices in the construction, maintenance and repair of overhead and underground electrical transmissions and distribution systems and substations. Work is performed in close contact with high voltage lines and may be performed under unfavorable weather conditions and involves skill and care to protect the lives of fellow employees and others. This job is also referred to as Powerline Mechanic, Cable Splicer or High Voltage Lineworker.

Educational Requirements

- Graduation from high school or a satisfactory equivalent, preferably including some courses in electrical work. Employees in these positions are subject to agency shop requirements.
- Possession of a valid class "C" California Motor Vehicle Operator's License.

Experience

- One year of experience in the electrical power field as a journey level powerline technician or completion of a recognized apprenticeship in powerline work.

Benefits

Employees of the City of Riverside are eligible to receive a comprehensive benefit package consisting of Medical and Dental prepaid plans. Additional benefits can include:

- Educational Reimbursement Plan
- Training Opportunities
- Sick Leave
- Vacation Time
- Two Deferred Compensation Plans
- A Flexible Spending Plan For Out-Of-Pocket Expenses
- Life Insurance
- Long Term Disability Insurance
- Vision Coverage
- Dependent Care Options
- 11 Paid Holidays
- Public Employees Retirement System 2.7% @ 55-Years-Old

What some of our employees have to say...

"If you want a challenging and a rewarding career in the utility industry with many opportunities for advancement, Riverside Public Utilities offers it all. We're located in the City of Riverside, California one of the fastest growing cities in the nation, an area that's a toasty 69 degrees fahrenheit in the winter!"

Cesar Ancheta, Interim Principal Engineer

"I've been working for RPU for over 15 years and it's been a great opportunity. The job is very satisfying and it's a good place to work. These are great people to work for and great people to work with."

Lee Shepeard, Powerline Technician

Riverside Public Utilities operates in a dynamic, historic community that offers its residents a wide selection of things to do. Whether it's a visit to the renown Mission Inn, or the City's numerous parks and museums, there's plenty to choose from. The city is also an important financial and judicial center in the Inland Empire, with a large and diverse economy that has the largest number of jobs and businesses within the region.

Be a part of supplying the electric and water needs of a rapidly growing community by considering a career with Riverside Public Utilities (RPU). With over 440 employees, we're comprised of four divisions: Water, Energy Delivery, Finance/Customer Relations and Resources.

RPU offers a wide array of career choices from entry level to professional. Depending on your area of interest, there are a number of career paths available to you. For example, start out as an Engineering Aide, and your career path could include advancement up to a Senior Engineer at a higher salary. We have many careers to choose from, and offer challenging and fulfilling opportunities.
